

# **NATIONAL SERVICE SCHEME (NSS) REPORT**

**TITLE: PROMOTING SUSTAINABILITY THROUGH PLASTIC-FREE CAMPUS AND PLANT DONATION**

Date: 31 Dec 2024

Venue: SAT KAIVAL COLLEGE OF PHARMACY

Organized by: SAT KAIVAL COLLEGE OF PHARMACY

## **Introduction**

As part of our National Service Scheme (NSS) unit's commitment to promoting sustainability and environmental awareness, we organized a plastic-free campus initiative and plant donation drive for students. This report highlights the objectives, activities, and outcomes of the event.

## **Objectives**

1. To raise awareness about the importance of reducing plastic waste and promoting sustainability.
2. To encourage students to adopt eco-friendly practices and reduce their carbon footprint.
3. To provide students with an opportunity to contribute to environmental conservation.

## **Activities**

1. Plastic-Free Campus Pledge: Students, faculty, and staff took a pledge to reduce their plastic usage and promote sustainability on campus.

2. Plant Donation Drive: Over 500 plants were donated to students, encouraging them to adopt green practices and reduce air pollution.

3. Awareness Sessions: Expert talks and workshops were conducted to educate students about the impact of plastic waste and the importance of sustainable living.

4. Cleanliness Drive: A campus-wide cleanliness drive was organized, focusing on removing plastic waste and promoting a litter-free environment.

### Outcomes

1. Increased Awareness: Over 80% of participants reported a significant increase in their awareness about plastic waste and sustainability.
2. Behavioral Change: 75% of participants pledged to reduce their plastic usage and adopt eco-friendly practices.
3. Community Engagement: The event fostered a sense of community among students, faculty, and staff, promoting collective action towards environmental conservation.

### Conclusion

The plastic-free campus initiative and plant donation drive were successful in promoting sustainability and environmental awareness among students. We aim to continue and expand these efforts, inspiring a culture of sustainability on our campus.
